Metro Parks Fall Softball

Metro Parks Softball League Registration

Registration July 10–August 18 \$300 per team

Registration for Metro Parks Softball will only be taken in person with full fee payment (by check or money order). No mailed registrations will be accepted.

League slots are filled on a first-come, first-served basis. Games begin the week of September 11. Game schedules will be handed out at packet pick-up time.

Game Times

Each league is limited to seven (7) teams. Game times are 6:30, 7:30 and 8:30 p.m. There will be no grace period. The scorekeeper on site keeps the official time.

League Length and Tournaments

Every team will play six (6) league games. The top four (4) teams advance to league tournament. The league winner and the league tournament winner will then advance to the Greater Louisville Tournament.

Softball League Schedule Packets

Mandatory Pick-Up Times

After you have registered, here are a couple of key items and dates to keep in mind:

Every team can pick up their schedule packets starting Monday, August 28.

Packets will include schedules, rules and other important information.

At Packet Pick-Up Times...

You will be introduced to Metro Parks Athletics staff, and turn in your first team roster. Make sure it is signed by your players.

You'll get a copy of Metro Parks league-specific rules and your league's schedule.

You will be taught the system Metro Parks uses to determine league champions, and you'll be given information on rain-outs and re-scheduled games.

Remember: Your Packet Pick-Up Is Mandatory!

If a representative from your team does not stop by to pick up the information, you will not receive a game schedule and are subject to a forfeit loss in your first game!

Metro Parks Softball League Games
